

Intelisys is recognized as a 2014 top performer by CenturyLink Channel Alliance, CenturyLink's indirect sales channel program

Technology Services Distributor Wins 4 Awards at AllianceEXPO

Petaluma, CA (Month XX, 201X) – [Intelisys Communications Inc.](#) was honored by CenturyLink Channel Alliance as a 2014 top performing indirect sales channel member at AllianceEXPO, [CenturyLink's](#) annual channel ecosystem summit, held Jan. 13-15 in Denver.

Intelisys won 4 awards, including Top Large Deal Partner, Highest Sales Attainment, Highest Revenue Growth Partner and Top Non-Channel Integrated (NCI) Seller among members of the Alliance's Premier Elite tier, which is the program's highest membership level for companies that generate \$2.5 million or more in monthly billed revenue from CenturyLink's services. Non-Channel Integrated sales are deals the member closed independently without working with a CenturyLink sales professional.

"We are humbled and grateful to win these four prestigious CenturyLink awards," said Carol Beering, Senior Vice President, Sales Operations at Intelisys. "The real credit goes to our Sales Partners who are growing at unbelievable rates and consistently raising the bar for everyone in the Channel. Our Sales Partners continue to confidently sell CenturyLink solutions because of the integrity of the organization and the high quality of their products and services."

The annual CenturyLink Channel Alliance member awards recognize excellence in sales, customer service and technology expertise demonstrated by integrating and selling communications and IT services including voice, data networking, hosting, cloud services and managed services.

"We congratulate and thank Intelisys for its outstanding sales performance and customer dedication in 2014," said Blake Wetzell, vice president of CenturyLink Channel Alliance. "With CenturyLink's solutions portfolio, the Channel Alliance members winning our 2014 performance awards are exceeding our expectations and evolving their capabilities to fit how enterprises purchase and consume IT services today."
